rapidly expanding field of bioethics in the second half of the twentieth century, feminist bioethics began to emerge as a new area of academic interest. Utilizing the resources of feminist philosophy, social theory and related fields, feminists have critiqued and extended the prevailing framework(s) of mainstream bioethics. Encyclopedia of bioethics. Prospectus. Center for Bioethics. KENNEDY INSTITUTE. Georgetown University Washington, D.C. 20007. The Encyclopedia of Bioethics project is being supported by the National Endowment for the Humanities, the Joseph P. Kennedy, Jr. Foundation, and the Raskob Foundation. It is being sponsored by the Center for Bioethics, a division of the Joseph and Rose Kennedy Institute for the Study of Human Reproduction and Bioethics at Georgetown University in Washington, D.C.
